Monday the 20th

Cody:

Very pleased to report that we've just received a "Yes" from Scott and Paula Bennett for the Carbondale Historical Society dinner on December 12 (see attached file No. 1163).

As you know, they are both very interesting and likeable people, and I will make sure that they are seated at my table, where you and Kristie will also be seated.

The Carbondale photo book that you are donating to the event: I will show the book around the group and then ask that anyone who is interested in owning the book to submit a bid (minimum bid \$25, maybe higher) on a piece of paper with their bid amount and name on it. At one point in the evening, we will look at the bids and present the book to the highest bidder. (Perhaps you would be willing to hand the book to the highest bidder?)

On with the show!

Robert
